The Maze

purplecandor

The Madness

And then we automate madness

Milestones

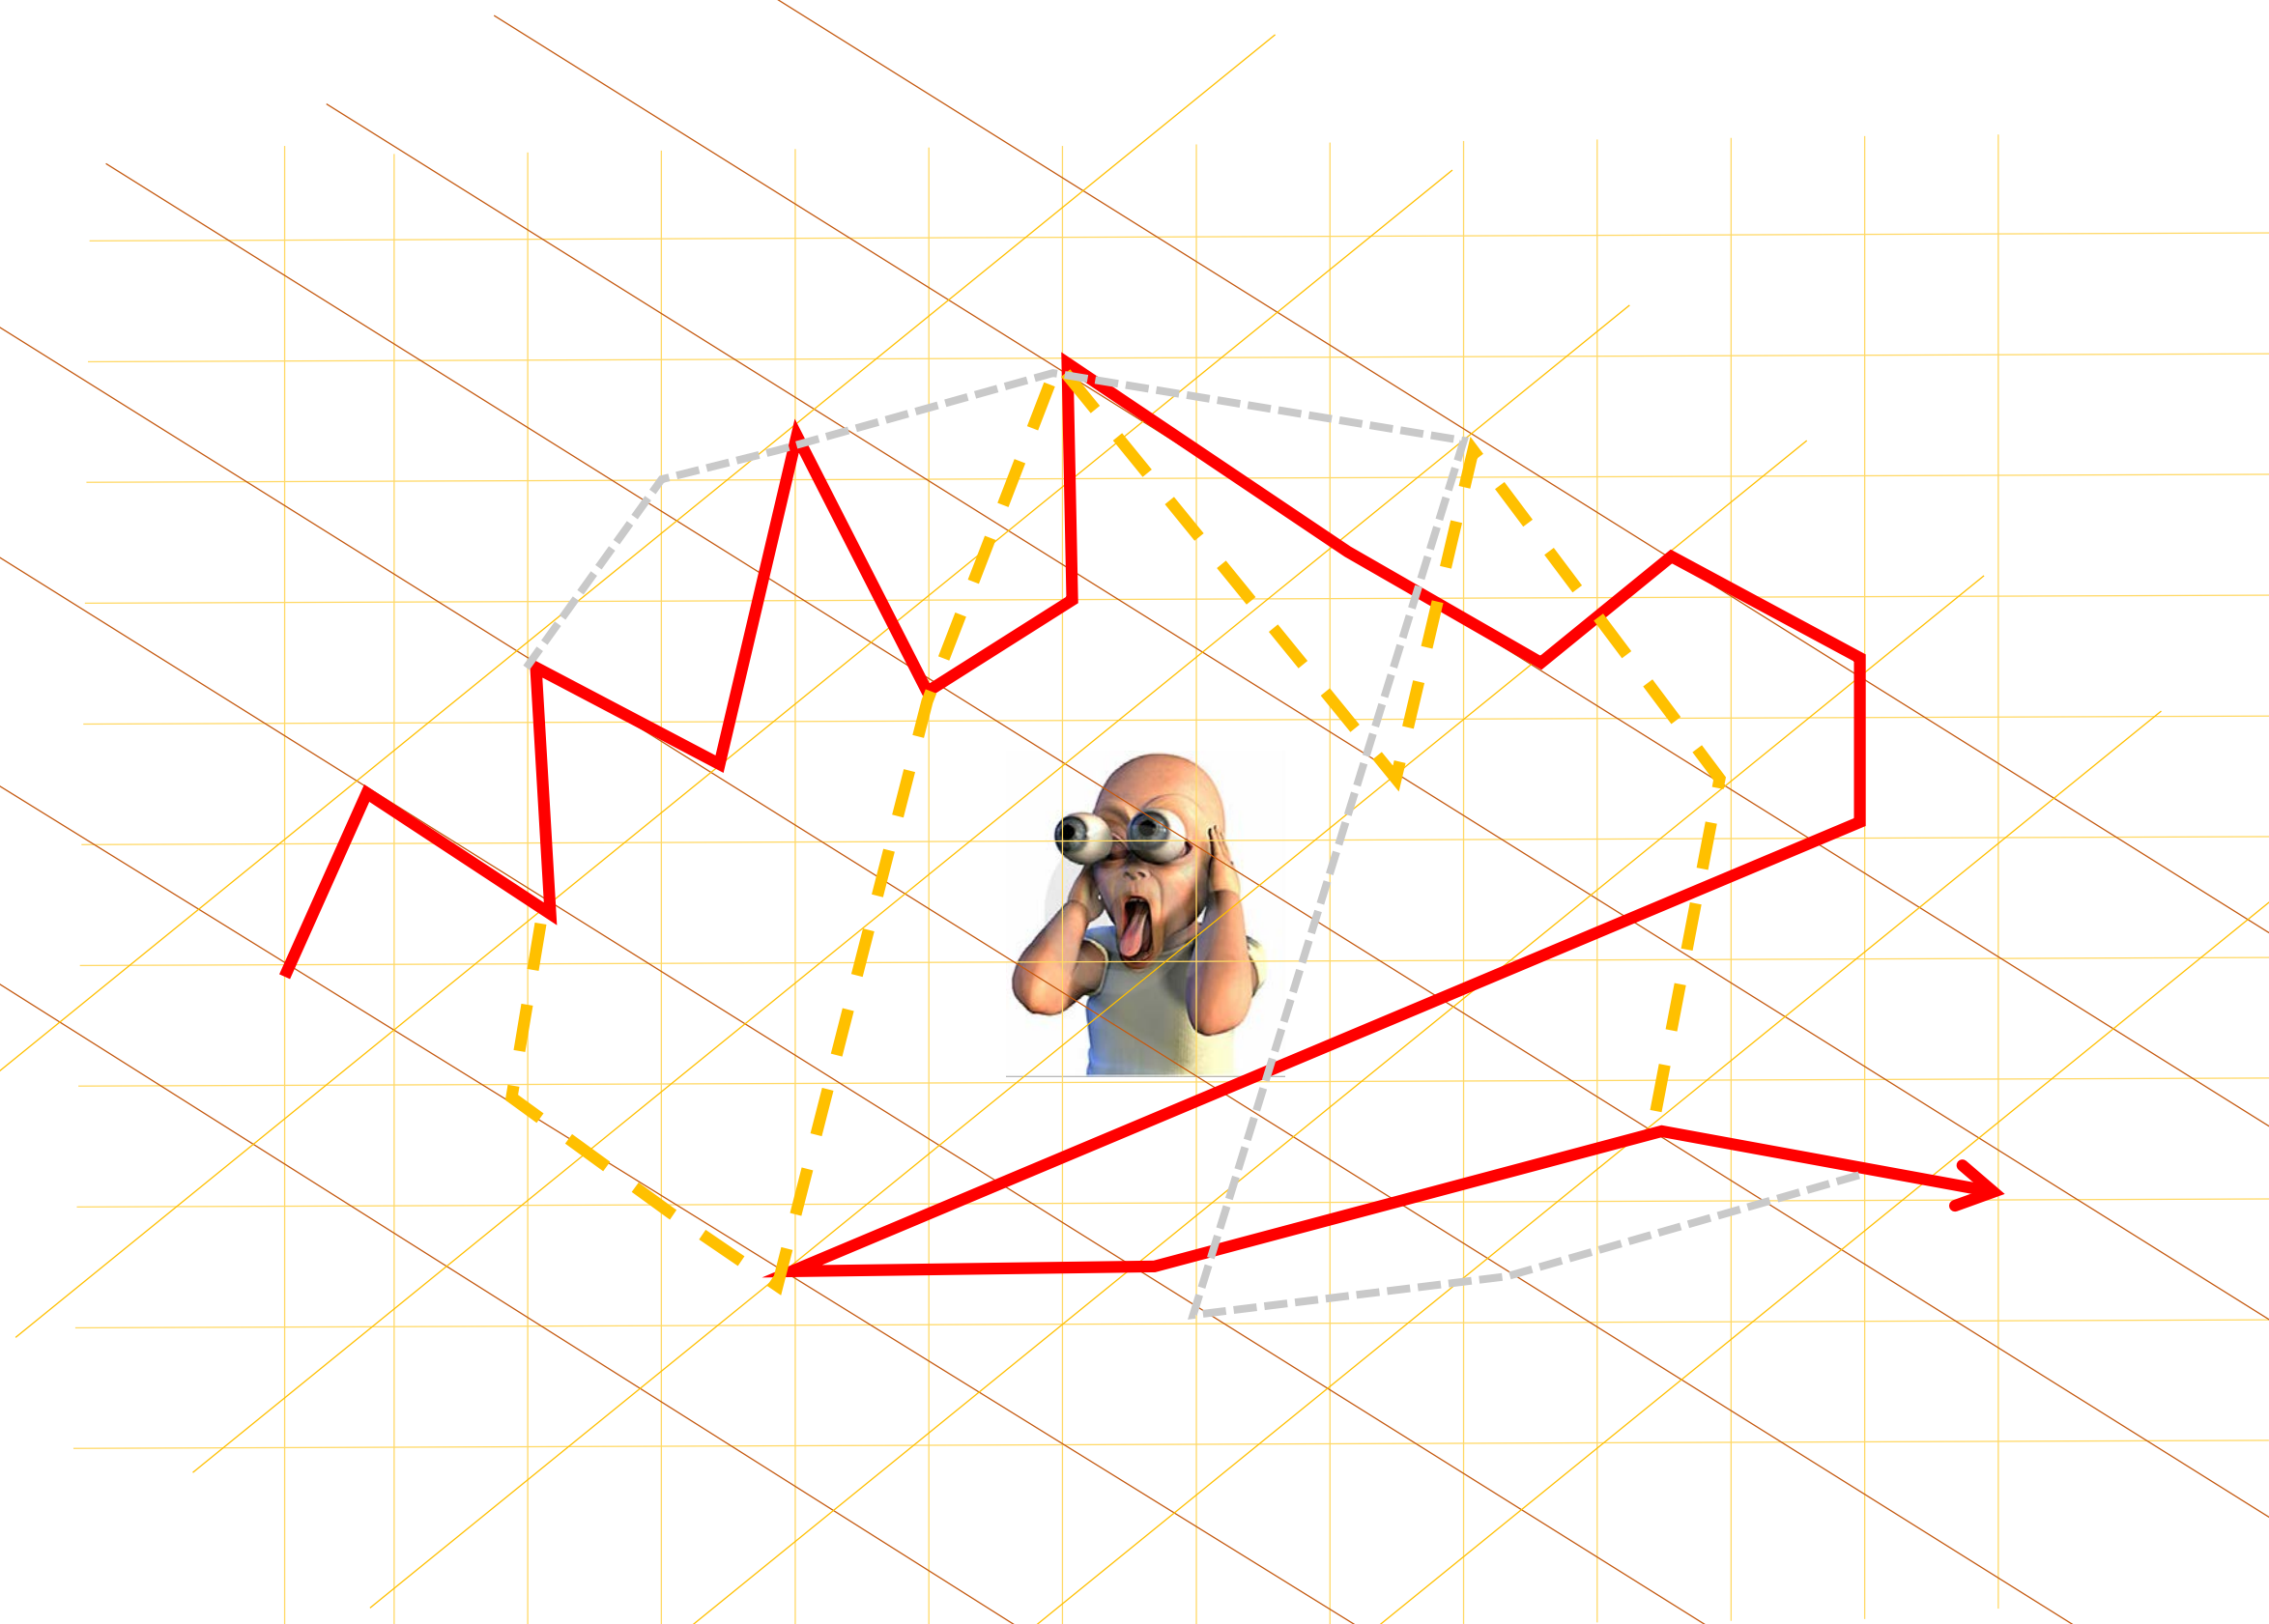

OKRs

KPIs

Goals

Metrics

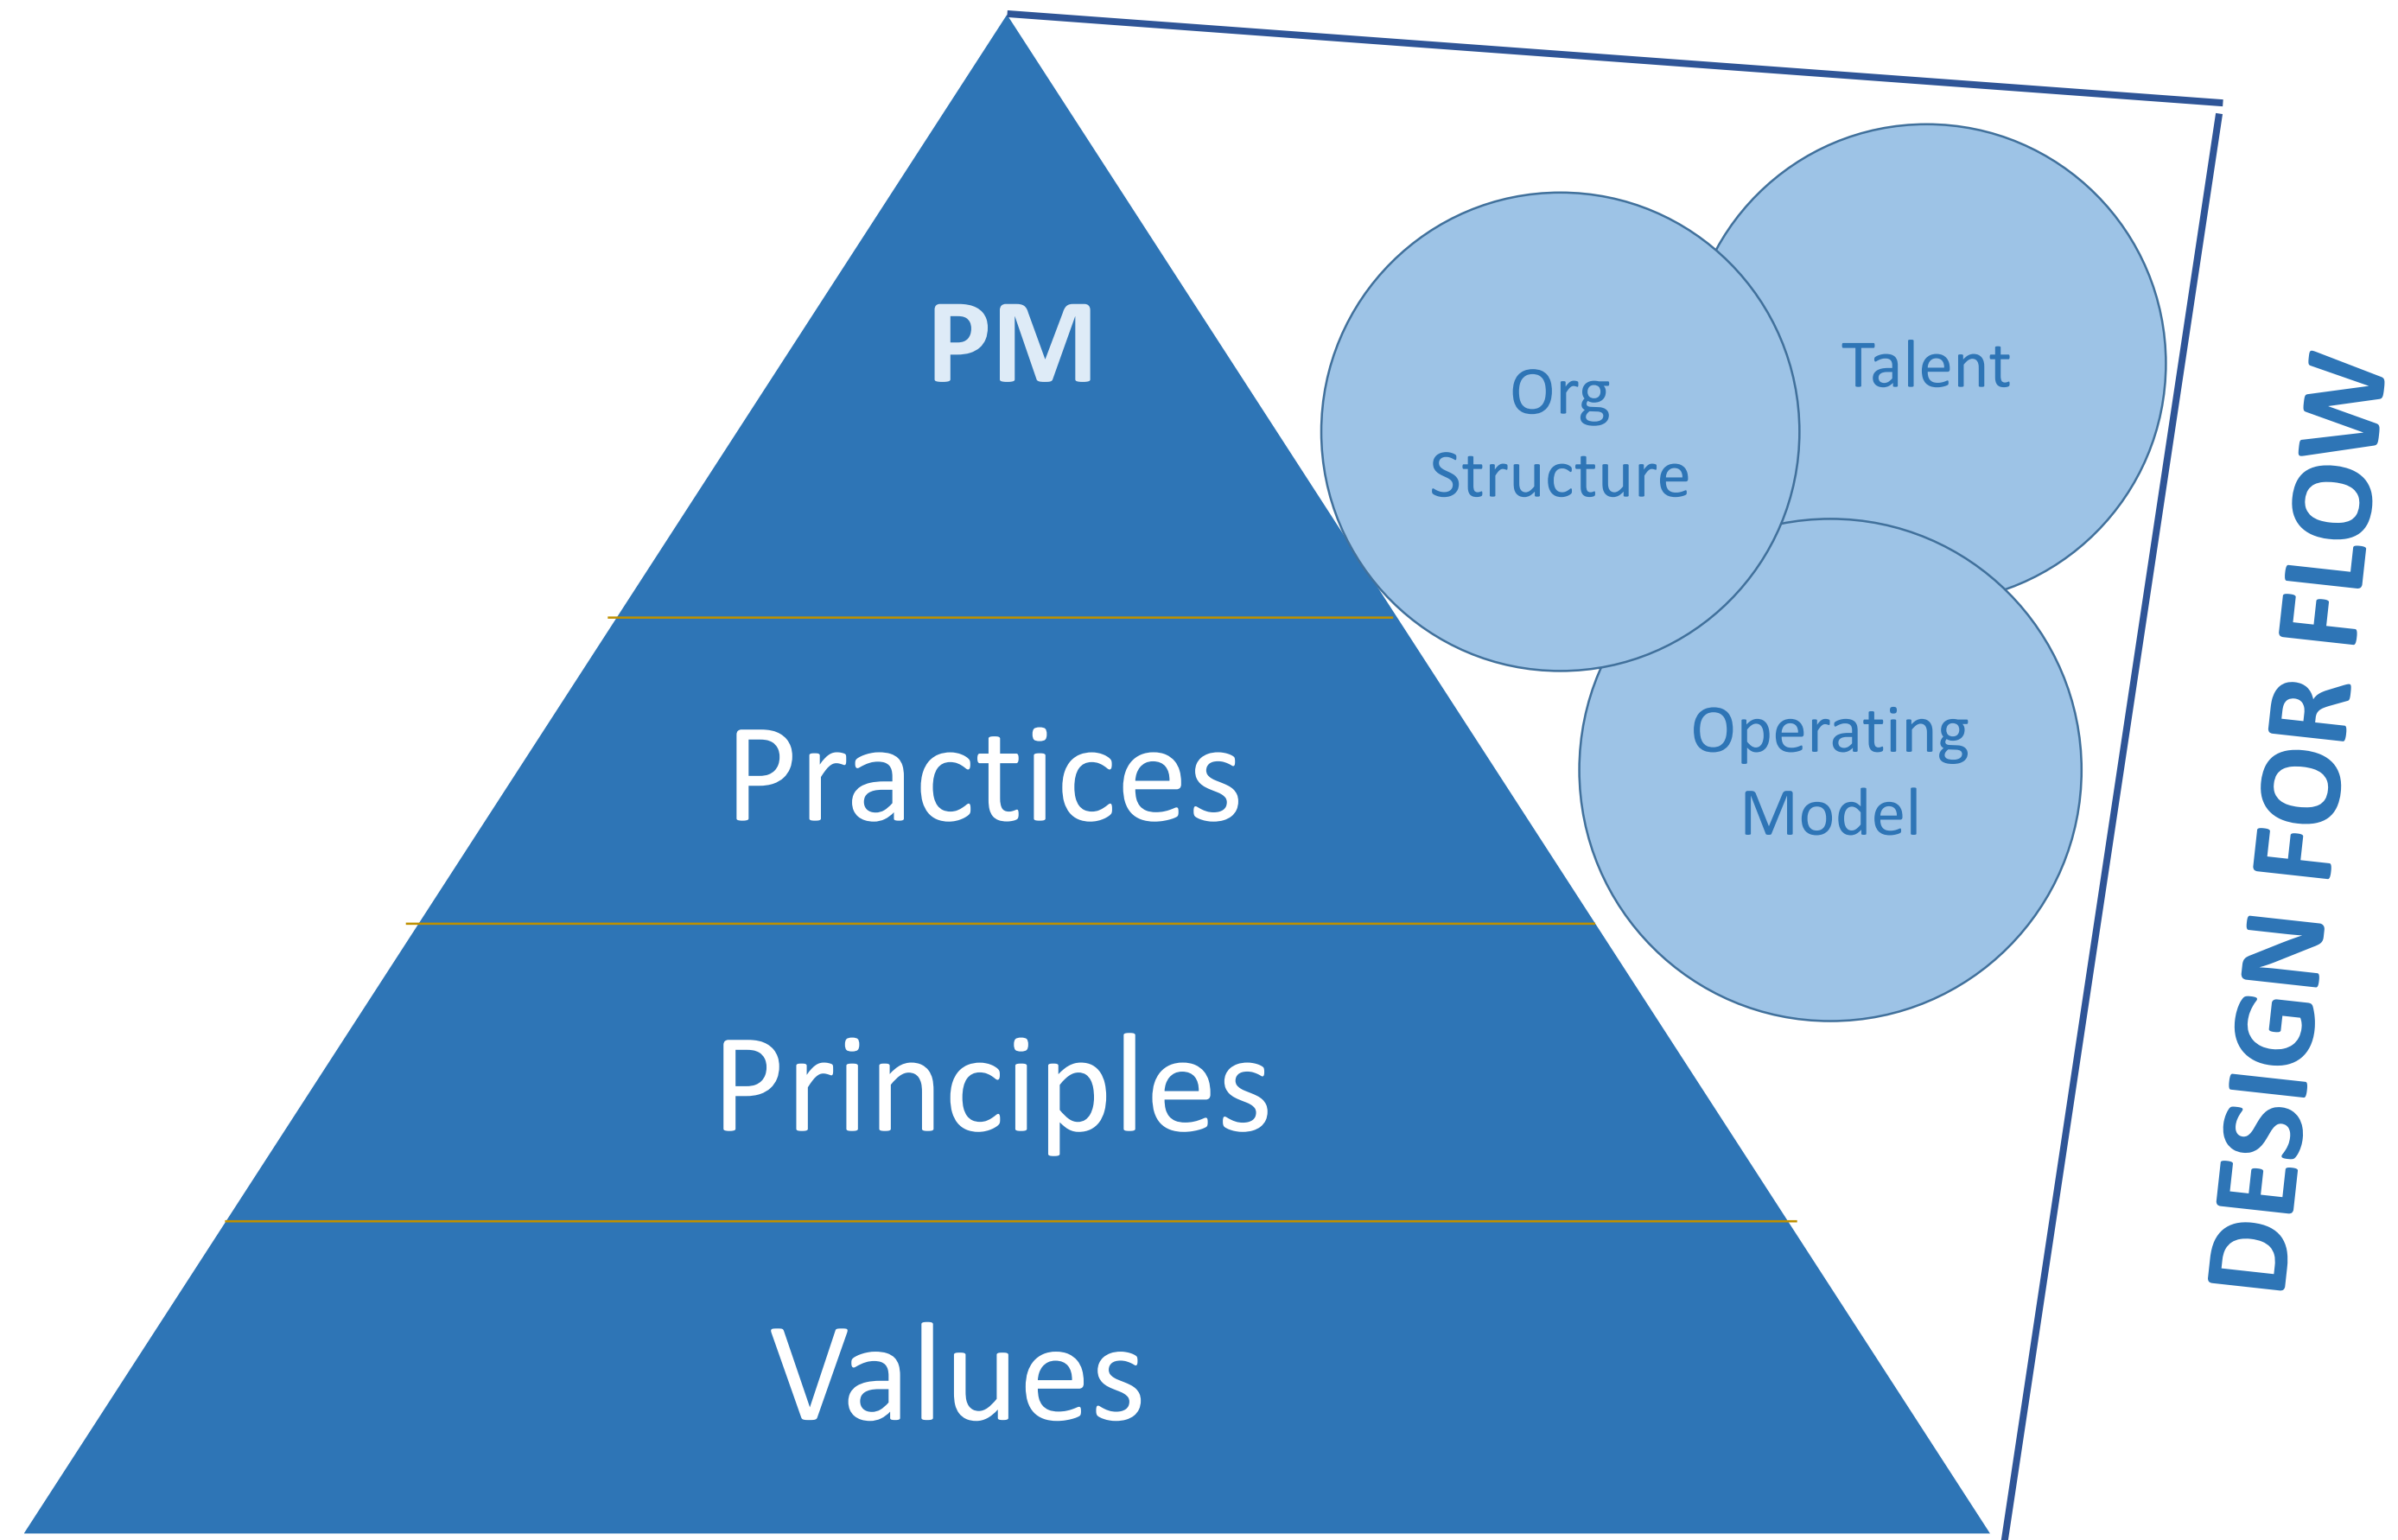

Dashboards

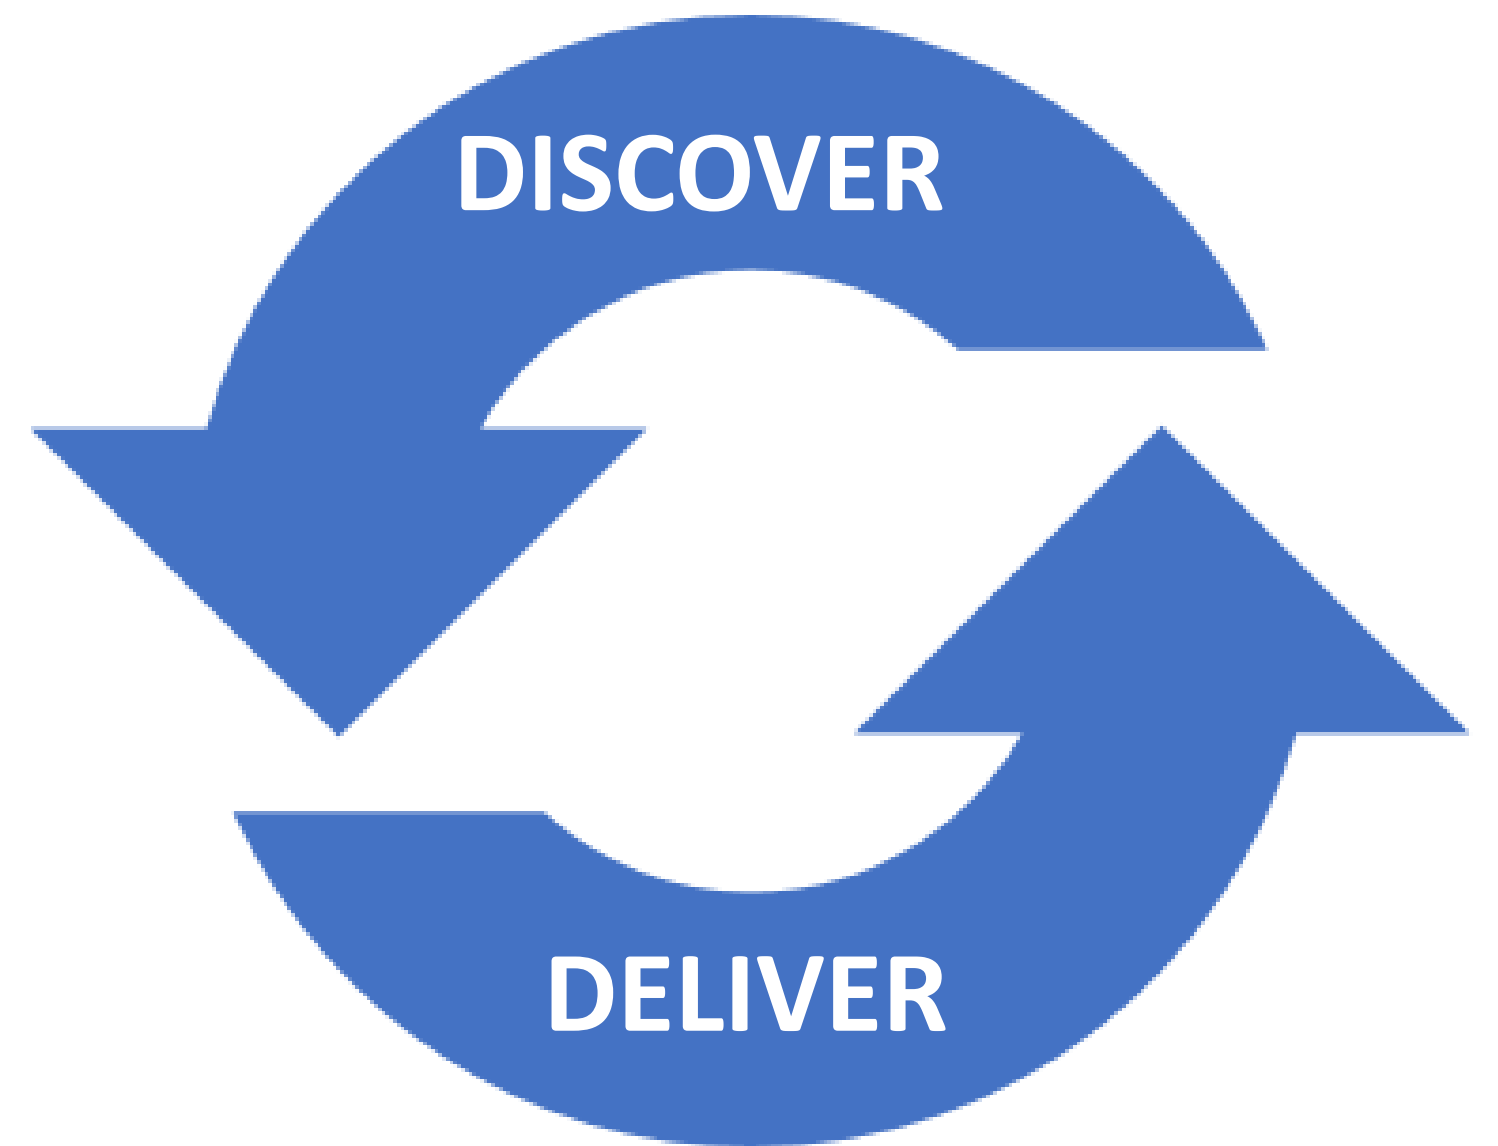

THE
MAZE RUNNER

Navigating the 3rd dimension

The SDLC never changes

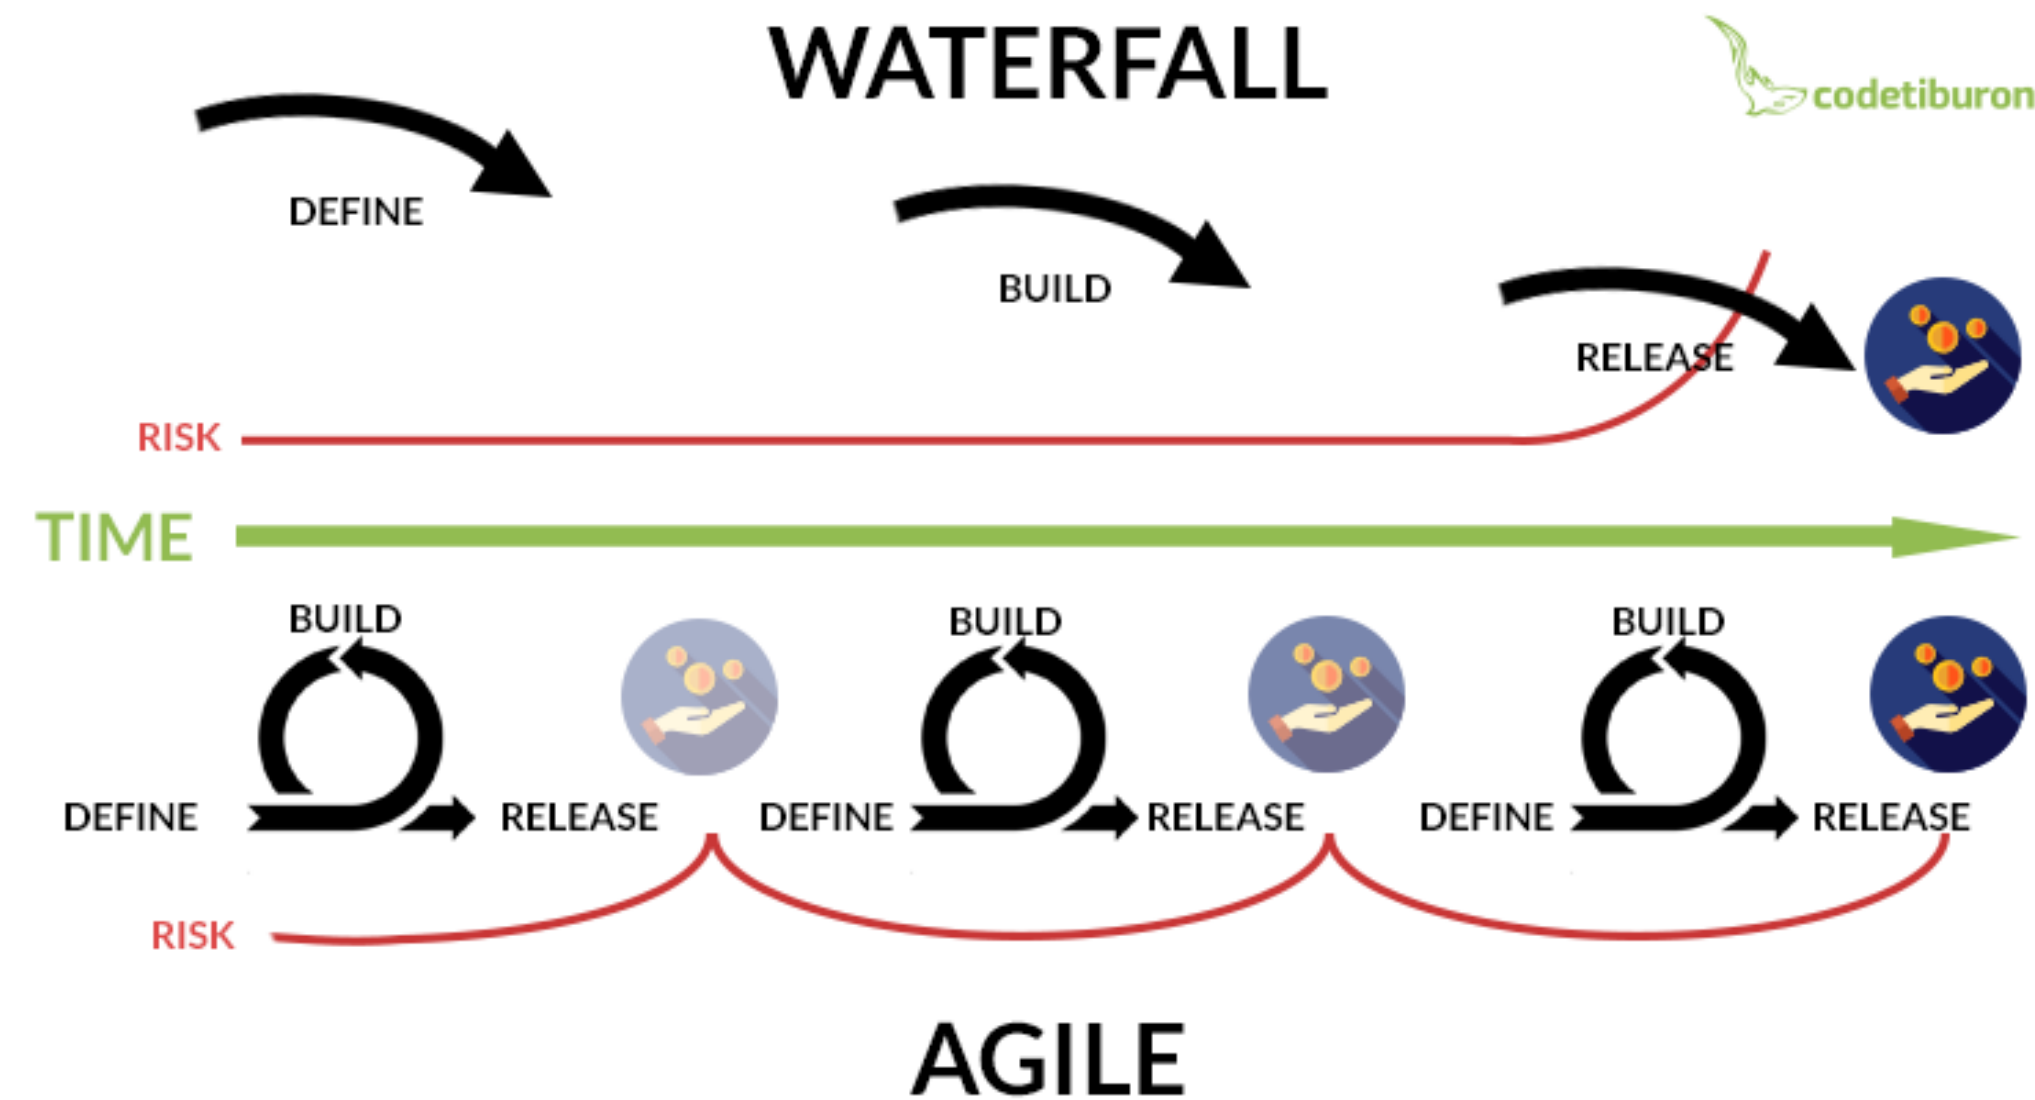

“I want you to
drive this project”

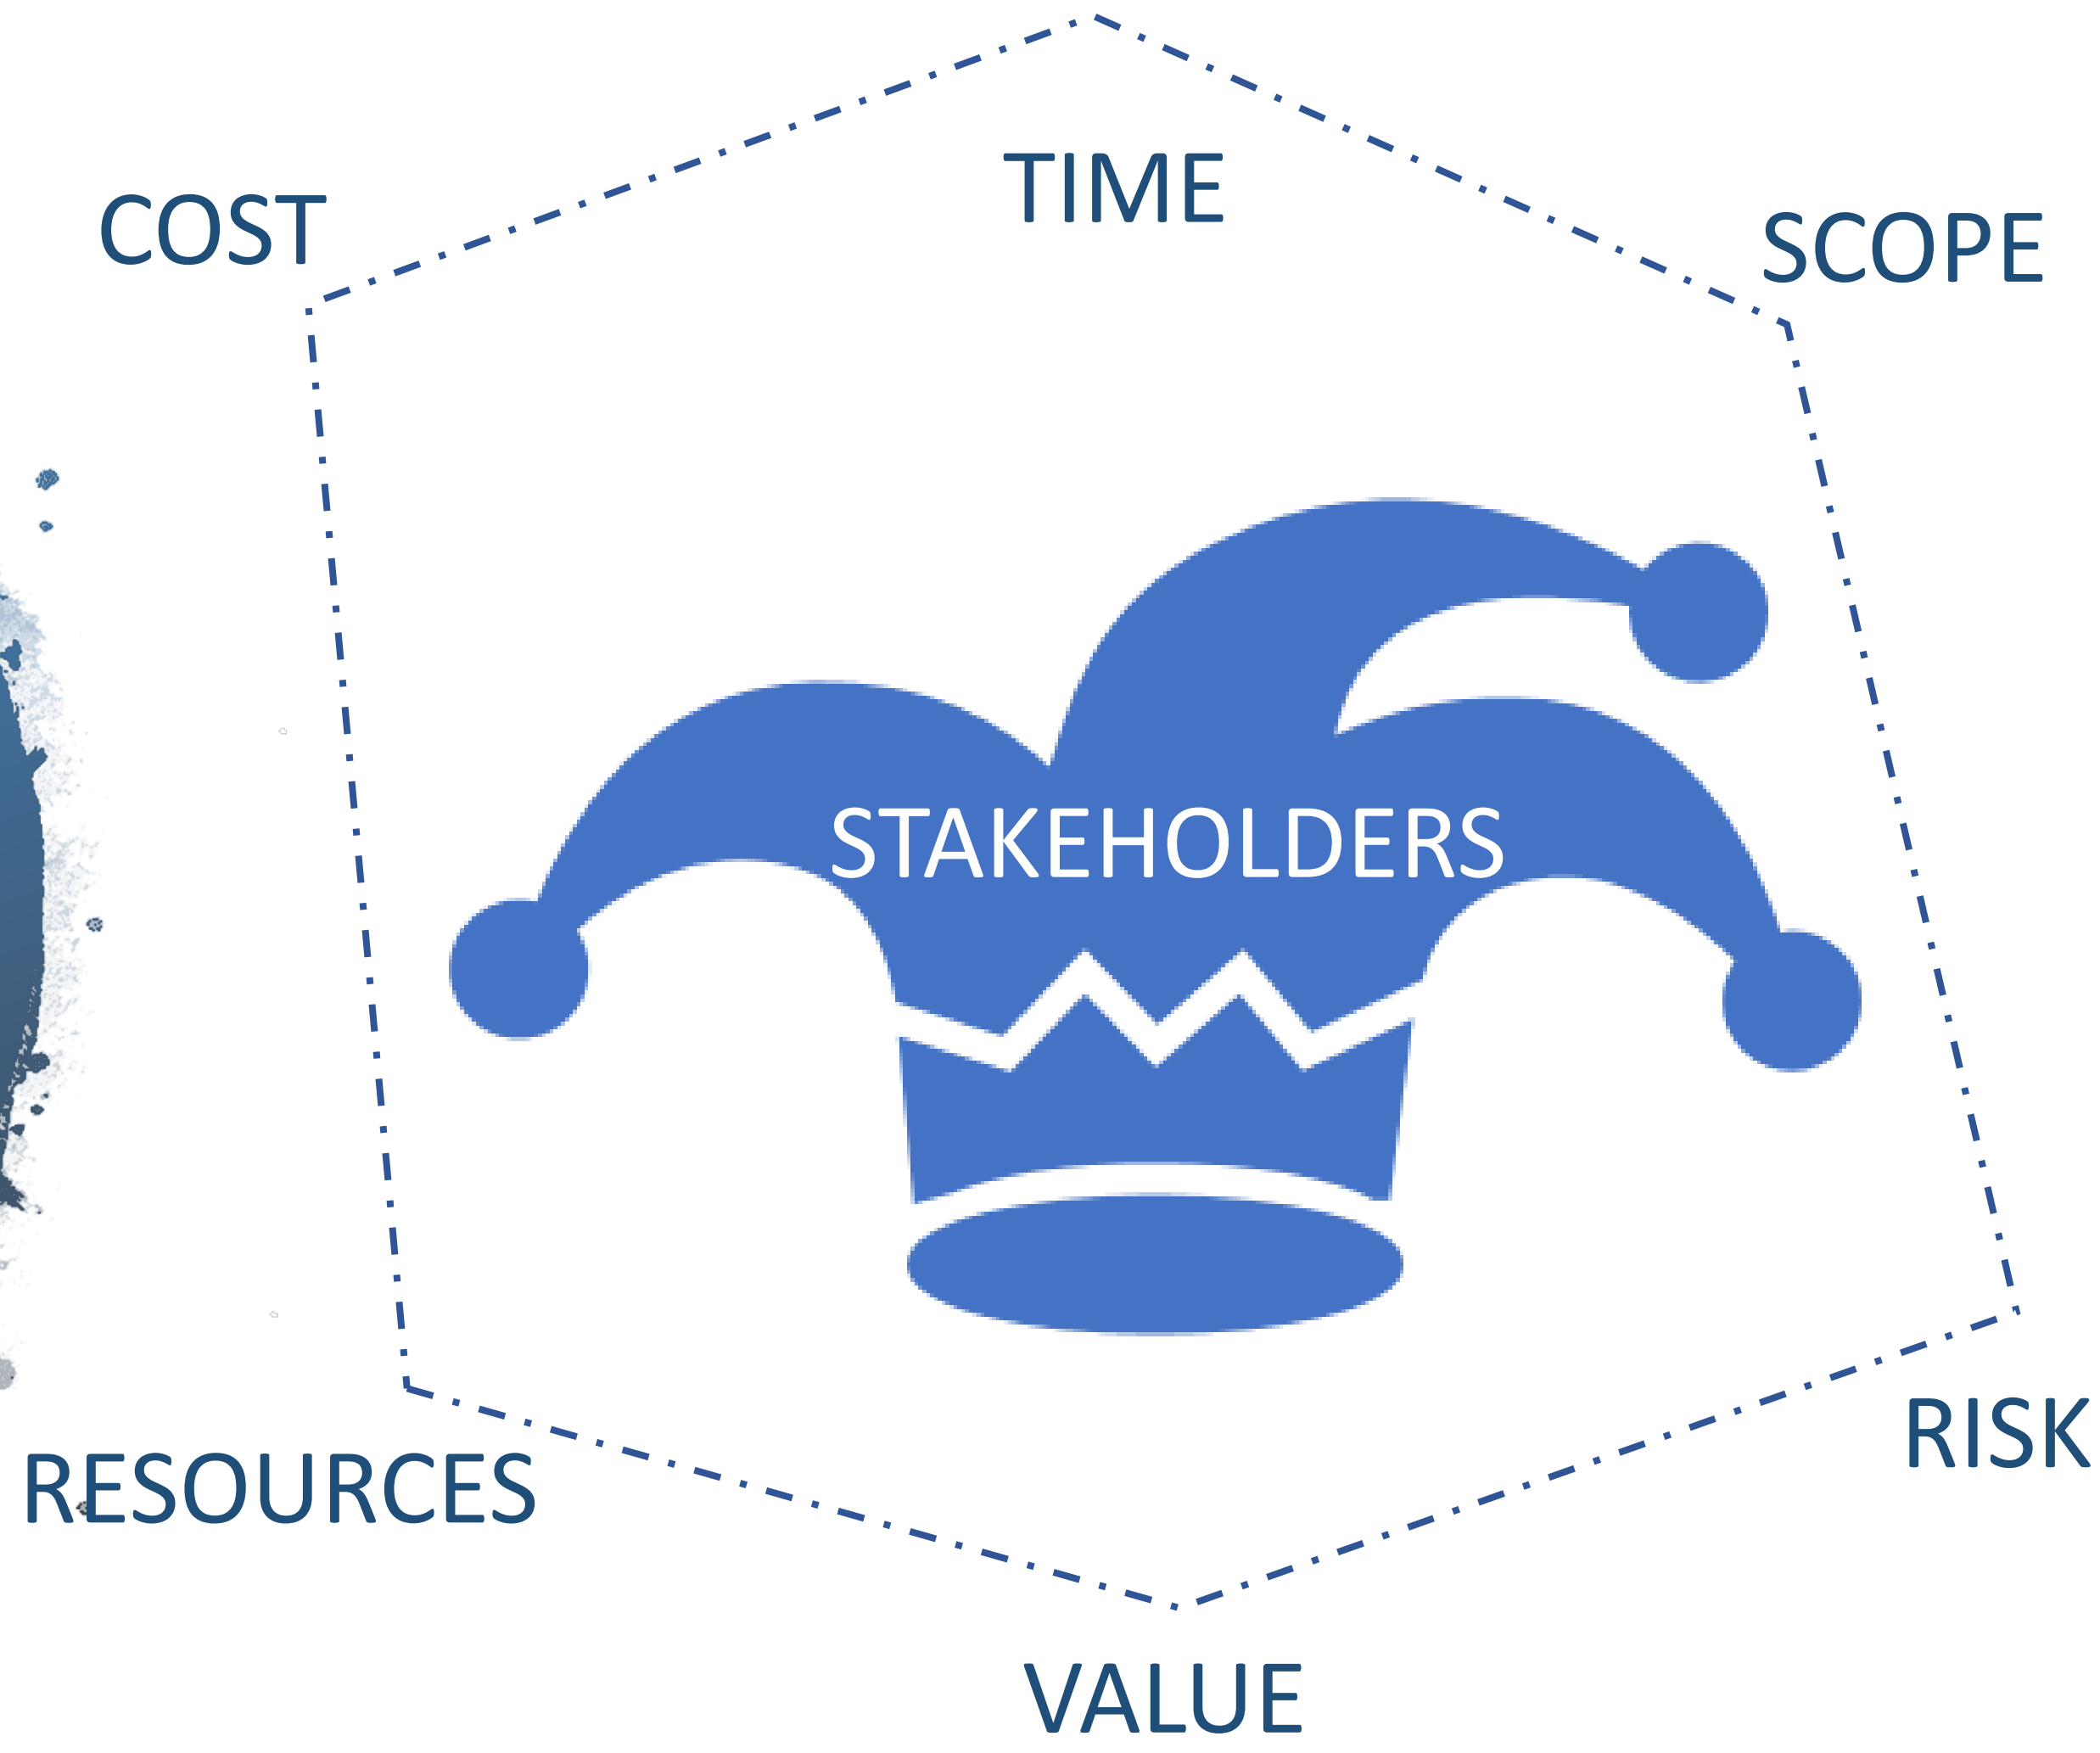

On the smell of an
oily rag!

DISCOVER

One if you're lucky,
both if you are normal.

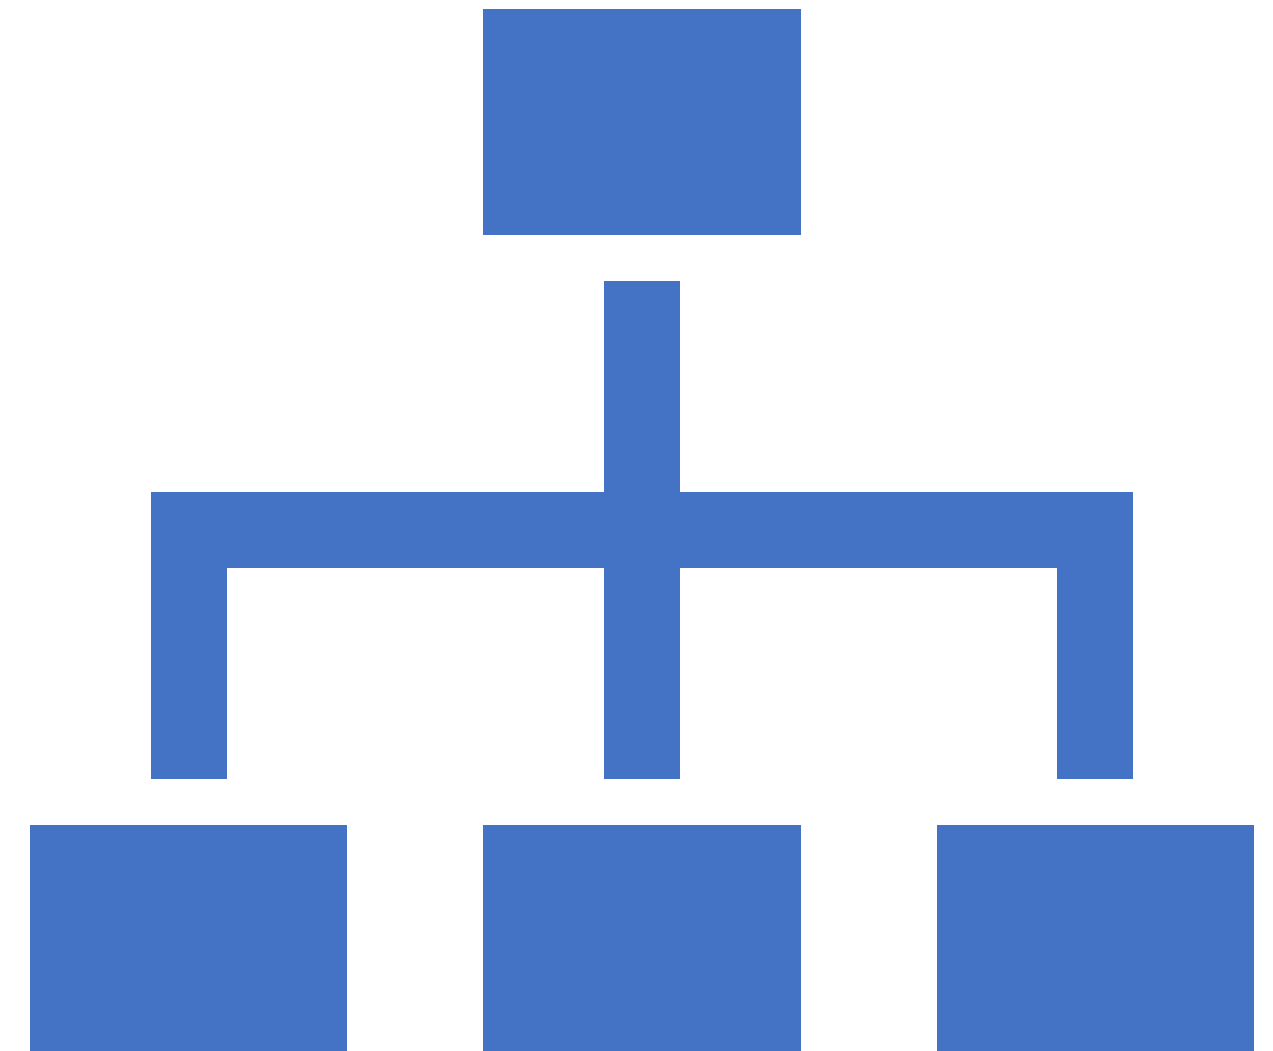

Portfolio

Program

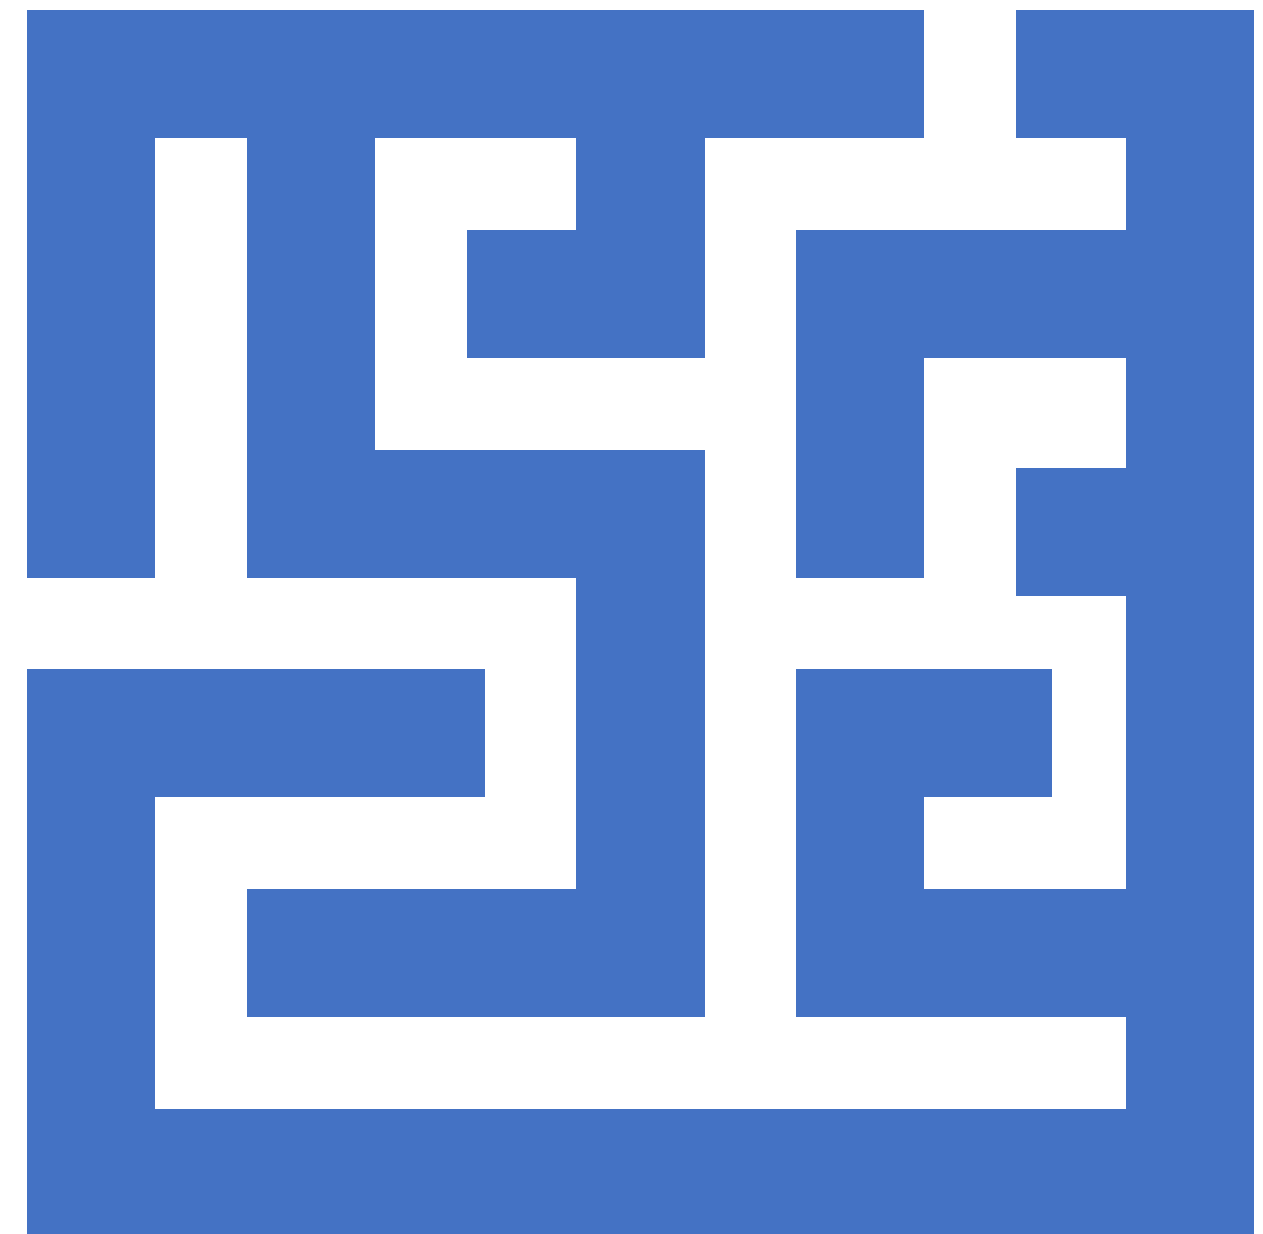

Project

Dependency Management

So what works?

The 4 keys to success

trust

respect

values based
courage
leadership

openness

authenticity

Clarity of purpose

Expectations

Doing the
right work

Doing the
work right

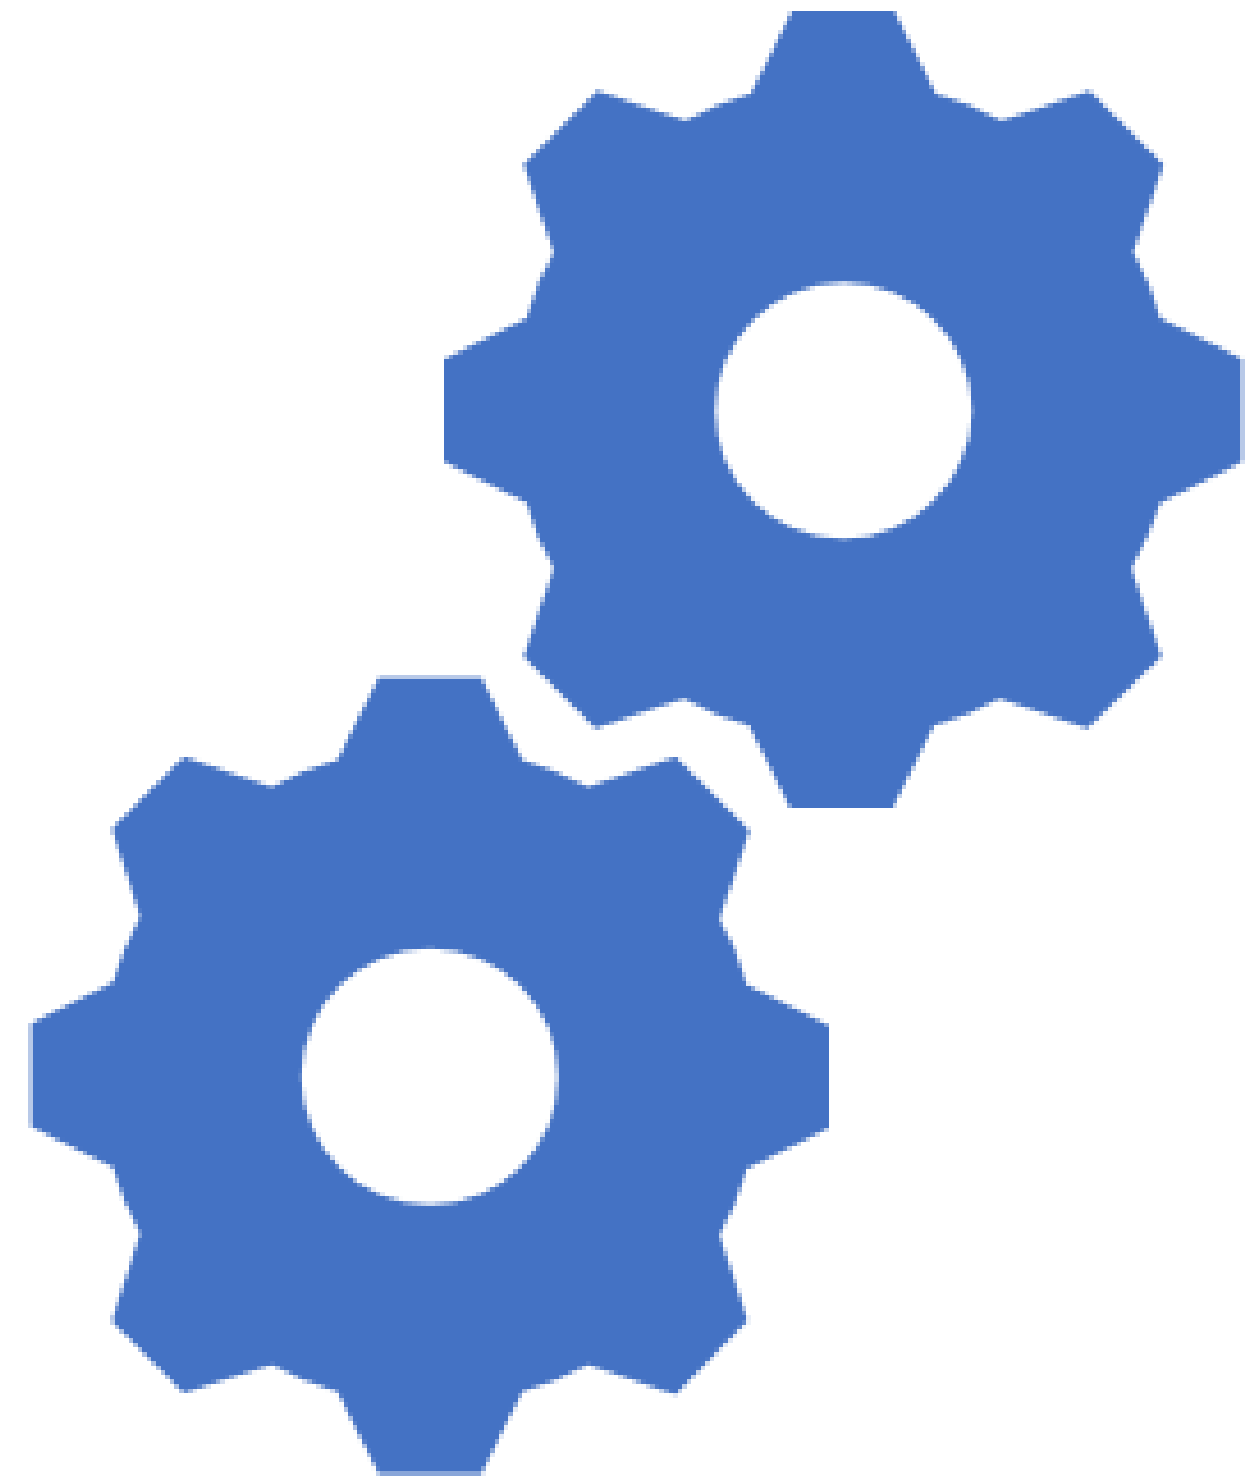

Control without controlling

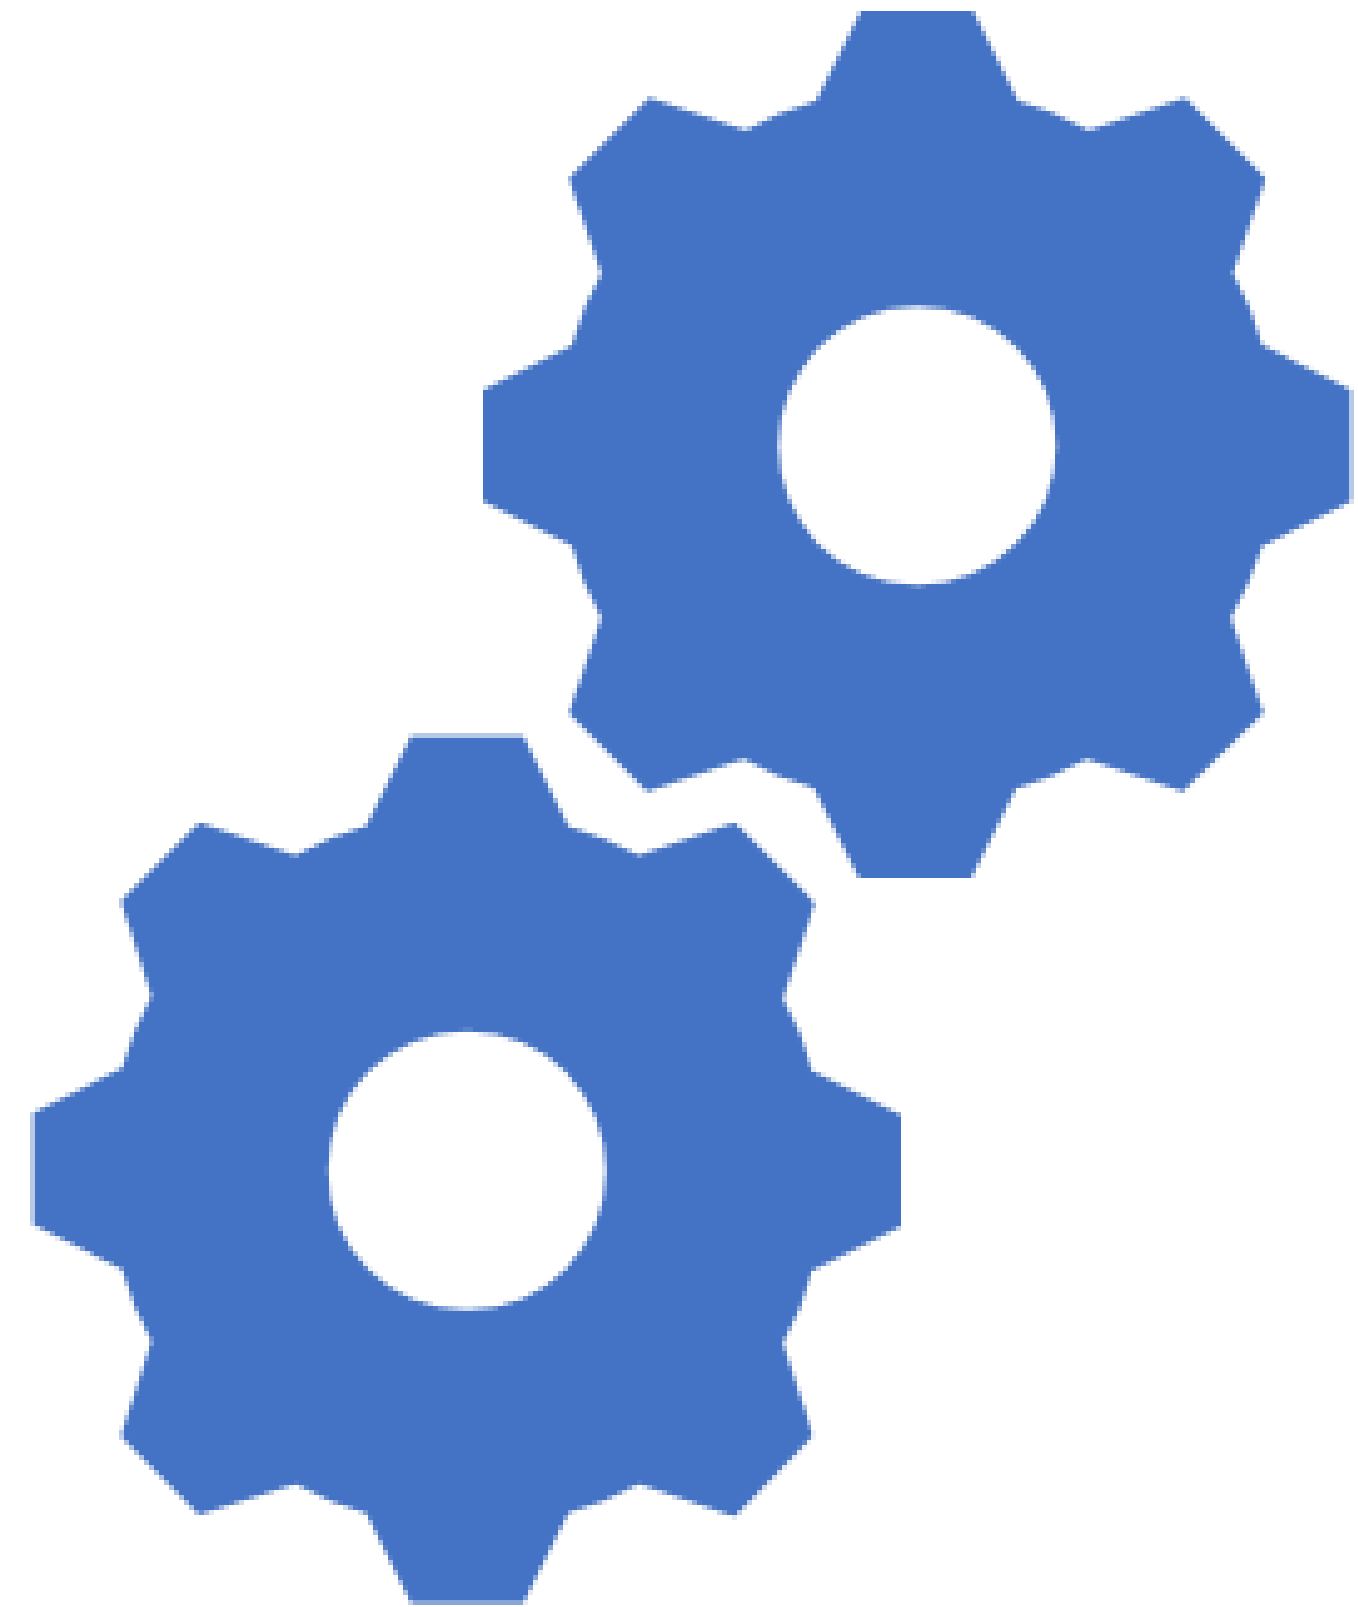

Collaboration

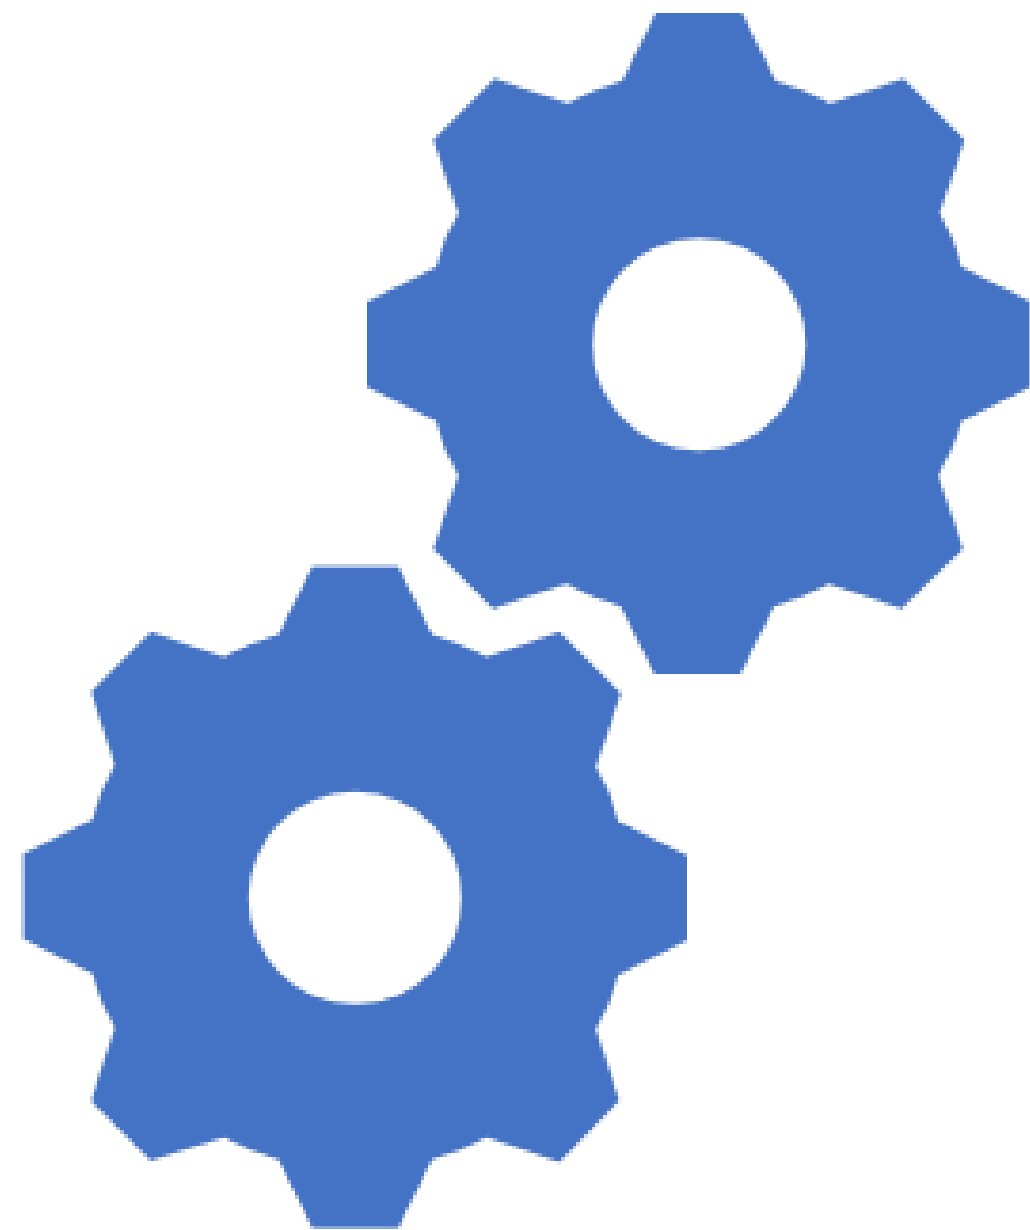

Empowerment

Measure what
matters

Transparency & Visual management

MAZE

MADDNESS

Design for flow

So what
works....
no matter what
methodology is
in use?

Values
based
leadership

Clarity
of
purpose

Control
without
controlling

Design
for flow

Pragmatic Project Management

Sensible Leadership
