

Využitie cloud technológií v ESET riešeniach

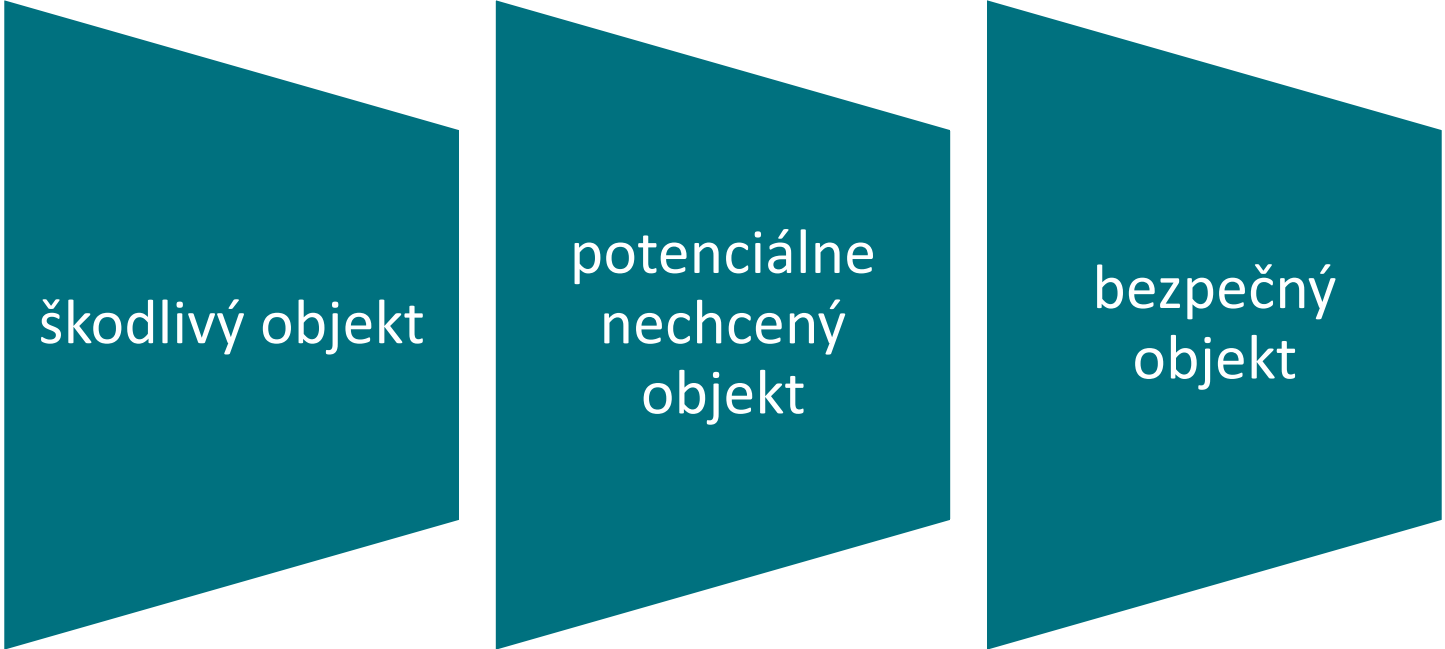

300 000 +

The image features a dark, futuristic cityscape at night. The foreground is dominated by a dense network of glowing blue lines and dots, resembling a complex circuit board or a data stream. These lines radiate outwards from the center, creating a sense of depth and movement. In the background, a city skyline is visible, with buildings of varying heights and shapes. The buildings are also illuminated with blue light, and some have glowing windows. The overall color palette is dark blue and black, with bright blue highlights from the glowing elements. The word "Augur" is centered in the middle of the image, written in a white, sans-serif font.

VYLÚČENIA

The background is a dark, teal-toned digital landscape. On the left, several bright blue, glowing lines curve upwards and towards the right, creating a sense of motion and data flow. On the right side, there is a blurred, perspective view of a server rack with many small, glowing lights, suggesting a data center environment.
